What Angels Wish They Knew

Synopsis

In an age that grants plausibility to every idea and certainty to none...WHAT CAN YOU BELIEVE?If you've ever wandered a mall, browsed a bookstore, or explored the Internet, you've seen the evidence: We live in a culture desperately searching for meaning. Like the ancient Greeks, we are haunted by questions. Where did this world come from? Why am I here? As individuals and as a society, we are restless, longing for something, or someone, to believe in. There are perhaps millions of potential answers—but only one truth that wholly explains, resolves, and offers hope for the plight of man. Of this life-giving message, Peter, the disciple of Jesus Christ, wrote: "Even angels long to look into these things." Within these pages, author Alistair Begg explores "these things" more fully, offering fresh insights into the mystery and power of the gospel account and presenting a convincing argument to all those seeking answers to the meaning of life.

Basic description of what Christians believe and why they believe it. It is good for all of us to be

exposed to the basics.

What a blessing it is to read or listen to this wonderful Christian man. I am Always blessed by his knowledge and ability to share the gospel.

Another well written book by Alister Begg. I find once I finish reading one of his books I immediately start shopping for for the next. A great way to build a library :-)

Great presentation of basic Christianity.

A wonderful book written in the easy style of Alistair Begg, deep, thoughtful, and delightfully clever prose. It is a resource that truly fulfills the subtitle of "The Basics of True Christianity. It warms your heart, especially if you have been fortunate enough to have heard Rev. Begg speak in person.

What Angels Wish They Knew has come to me in a really difficult time of doubt. I am being renewed in my faith as I read and contemplate what Alistair writes. I have been drawn back to God's word. So all in all its really been good for me.

Pastor Begg, a phenomenal teacher and speaker, presents the gospel in a straightforward manner. This is a good overview of basic Christian beliefs and is a quick read. This book is in the C.S. Lewis tradition in terms of style and theology.

Wonderful approach to the Gospel and the basics of Christianity. Inspired!
