Three Days A Slave: An Extreme BDSM Horror Thriller

Synopsis

Tara is desperate to escape from her current life. A mysterious stranger offers her a way out: a completely new identity, a scholarship to a university far away ... and \$50,000. But in return, she must endure three days of fiendish and twisted and hot and heavy BDSM scenarios, which will test the limits of her desire and teach her new definitions of pleasure and transform her physically through tattooing and piercing. Everything will stop if she says one word: mercy. Can Tara withstand their ministrations and find a new life? But someone doesn't want Tara to go anywhere, and he is trying to find her ... This is the latest dark erotic thriller from Natasha Stevens, best-selling author of JANA'S JOURNEY. Recommended for mature readers!

Customer Reviews

Wow..... Insane! Totally didn't see any of this coming..... However, personally, I would have wanted to do a lot more to her stepfather! It was upbeat and had a lot of scorching senses. The main thing that I found to be of any horror would be the dispicable Father! Major bumps..... This is has a CLIFFY type ending! I would recommend this book to adults only!! Happy reading!

I like how the author really brings the characters to life, and doesn't skimp on the action scenes either. I would definitely read more books by Natasha Stevens, and would be certainly interested to see how the rest of Shade/Tara and Christopher's story turns out. Recommended.

A strange tale of what one person will submit to in order to be free from a current situation, the part makes the book worth the read.

The story here is essentially thinly veiled torture porn of the softer core variety. If you like that, you'll enjoy the story. I was expecting something with a bit more to the plot. I'm not a prude and I enjoy reading erotica, but this was barely there, shaky threads of plot as set dressing for a particular kind of kink.

I enjoyed the book, a quick ride. I only wish there was better editing, I found five mistakes in grammar. That's just a personal thing with me, story was still fun.

I enjoyed this book. It is a short story, but the characters are put together nicely. There is a mystery/thrill part of the book and I think that Natasha wrote that well also. I will be looking for more books by her.

I read the sample for this book when I considered buying it and was so disappointed that I couldn't finish the sample. There's no way I would spend money on this
