Off Track Planet launched their website in 2009 out of a hostel in Brooklyn. Since its launch, their website has reached more than four million readers online and averages more than 100,000 monthly visitors. Off Track Planet is headquartered in Brooklyn.

EVERY time my boyfriend & I use this book to try to find something fun to do in Brooklyn... IT IS CLOSED DOWN! Then we realized the book is from 2015. Only 2 years, but still - things in this city

move quickly. Even my boyfriend's old workplace (closed over a year ago!) was in there. Sooo disappointing. My advice would be to update this book each year. Don't expect it to be a reliable source of information...

Awesome book with a lot of great and fun information. I'm new to Brooklyn and try to explore the city as much as I can. This book provides background, interesting details, food, shopping, and drinking recommendations for most of the Brooklyn neighborhoods. It has helped me plan many cool day trips all over Brooklyn.

FUNNY, GREAT KNOWLEDGE OF BROOKLYN, FUNNY I REALLY ENJOYED IT !!!
