Buffy The Vampire Slayer Vampyr Hardcover Ruled Journal (Insights Journals)

Synopsis

This in-world journal invites fans of Buffy to add their own experiences to the Slayer Handbook. Started for one of the new Potential Slayers and left behind after the Battle at the Hellmouth, this journal includes a section of text copied from the original Slayer Handbook along with illustrations, annotations, and notes from Buffy, Giles, Xander, and Willow. Atmospheric, engrossing, and designed with a dynamic in-universe aesthetic, the blank lined pages of this journal invite readers to add their own story to the legacy of the Slayer. With sturdy construction and sewn binding, this journal lies flat, and the 192 ruled, acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. Includes a ribbon placeholder, elastic closure, and 7.5 x 4.5-inch back pocket, perfect for holding photographs and mementos.

I've been waiting for this for years. I'm an avid writer, I have lots of journals. Being a big Buffy fan, I

had always said I wished they'd make a journal to look like the vampyr book Giles presents to Buffy in the pilot. Several years later, my wish came true. I love that it's hard cover and has some tidbits from the show in the first few pages. Definitely going to find a way to get it autographed by the cast and Joss.

High quality. Really awesome book.

Love it!! Been a fan since the beginning and this adds to my collection!!

I love the show and this journal is an awesome companion. The cover mimics The Vampyr Slayer handbook. The inside has the first ten pages or so of condensed pages from the Slayer handbook with Buffy, Giles, Willow, and Xander's notes (comments) written near important parts.. Very realistic. It will be durable, too. I love writing and drawing in mine. The pages (192) are good quality and can hold up to many inks. I find that Sharpie Pens (not Sharpie Markers) will not bleed through. A great piece for any BTVS fan and an extra special piece for sketchbook and journal fans, like me.
