Product Dimensions: 6.5 x 0.1 x 8.6 inches

Shipping Weight: 3.5 ounces

Average Customer Review: 2.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #15,298,207 in Books (See Top 100 in Books) #49 in [Books > Teens > Art, Music & Photography > Music > Instruction](#) #123 in [Books > Teens > Personal Health > Physical Impairment](#) #262 in [Books > Teens > Social Issues > Special Needs](#)

## Customer Reviews

The book isn't "bad," but it was not what I expected or hoped for given the price and my reasons for buying. If you know nothing about Freddie Mercury and are willing to spend over \$20 for a 28-page review of the highlights of his life, this book may be for you. But if you are a fan who already knows many of the basics--or knows where to look for such information online--there isn't much here to make it worth your while. Each page contains from 2 to 4 paragraphs, all in large print and written in a style as if meant for children, although a tiny smattering of the information might be considered inappropriate for them. There are a few black and white pictures included. Had I known what I was buying, I wouldn't have bought.

When I ordered this book I expected to receive an extensive bit of information on Freddie Mercury. Instead, I received a large print pamphlet on Freddie. It read more like a bed time story for my grandmother to read than what true fans deserve for the cost of the book.
