Wonderful and assorted pictures to tell stories and be colored. The little girl I gave this to just loved it.

The Beginner's Bible Coloring Book is a 64-page paperback book. What I noticed right off the bat is that The Beginner's Bible Coloring Book has nice white pages that are a great weight. Many coloring books are on a very thin paper or brownish newsprint-like paper and I much prefer these quality pages. The areas to color start even before the actual coloring pages - there are images to color in on the presentation page and copyright page. The coloring pages are grouped by theme, in order of the books of the Bible. There sections are titled: Creation, Adam and Eve, The Story of Noah, The Story of Joseph, The Story of Moses, The Story of David, The Story of Daniel, The Story

of Jonah, Jesus Is Born, Jesus' Ministry, Jesus Feeds Thousands, Jesus Walks on Water, Jesus is Crucified and He is Risen! On average, there are 4-6 coloring pages per section/topic. The illustrations are done in the style of all of The Beginner's Bible products. I think that The Beginner's Bible Coloring Book is a great choice - especially with the retail price being below \$5. FTC Declaration: The publisher has provided me with a complimentary copy of this book or advanced reading copy through their book review bloggers program. This does not change the fact that I will give my honest opinion in my reviews.

“With loads of coloring fun and faith especially for little ones, the finished pages can be displayed to encourage creativity and memory of the classic Bible stories, the back jacket book cover states in Zondervan’s children’s book, The Beginner’s Bible: Coloring Book. ~ What ~ Part of The Beginner’s Bible series, this sixty-four-page oversized paperback targets young children from four to eight years old. The book involves thirteen well-known stories taken from the Old and New Testaments of the Holy Bible in the form of sixty black and white illustrations to color. The drawings are taken from other The Beginner’s Bible sources and cover Creation, Adam and Eve, Noah, Moses, David, Daniel, Jonah, and Jesus’ birth, ministry, miracles, crucifixion, and resurrection, sometimes listing the corresponding chapter or chapters in the Bible. ~ Why ~ What makes this coloring book special is that a child can read one of the other books in The Beginner’s Bible series and see the same pictures in color and copy them or make a different colorful design. The pictures are expressive while being detailed enough for advanced artists. The finished artworks could be removed from the book and displayed. ~ Why Not ~ Those who do not want to promote teaching a child about Bible stories will pass on this book. Some drawings that may concern some might be the ten plagues, Goliath being killed, the fiery furnace, Jonas in the big fish, and Jesus’ crucifixion. ~ Who ~ No information is provided on the illustrator. ~ Wish ~ I wish more coloring books were published that mimicked stories in books for children to color. ~ Want ~ If you are looking for a Biblical coloring book that syncs with other books in The Beginner’s Bible series, this will delight a young artist. Thanks to Zondervan for furnishing this complimentary book that I am freely evaluating.

About the Book: The Beginner’s Bible® has been a favorite with young children and their parents since its release in 1989 with over 25 million products sold. Loads of coloring fun and faith for little ones! Children can now color to life more than sixty favorite Bible

stories and characters from The Beginner's Bible. After coloring, the pages can be displayed to encourage creativity and memory of the classic Bible stories. My Review: The Beginner's Bible Coloring Book has over 60 pages and is perfect for any age really but is specified for ages 4-8. This coloring book is a little different than typical coloring books. First of all, it has the animated characters from the series. Secondly, it takes several scenes from the bible and made them into a coloring book. The book begins with Genesis one and follows all the way through to the New Testament showing Jesus' ministry. I like the coloring book the most because it is ideal for our home school and to teach with for your Sunday School class. Great pages that display God's word, perfectly. ****Disclosure**** This book was sent to me free of charge for my honest review from the author. All opinions are my own.

Disclaimer: I received this Book from the publisher, Zonderkidz for free to read and review. I was not required to give a favorable review only an honest review. All thoughts and comments in this review are my own. About the book: *The pictures are nice size and easy to color.* It has more than 60 favorite from the Old and New Testament *Fun to color.* Finished pages can be easily displayed. *Beautiful illustrations. This coloring book is for children age 4-8. It is a great basic coloring book with easy to color images. This book is divided into sections with each section's pictures specific to a Bible Story. The pages to color cover stories from both the Old and New Testament that children love to hear. In my opinion this is a great way to encourage your children to remember these Bible Stories. It would make a wonderful gift and give your child hours of coloring enjoyment.
