Scroll Saw Country Patterns

Synopsis

“The authors describe and demonstrate the variety of projects that can be created from these patterns—wall hangings, holiday decorations, door stops, key rings, candle holders, switch plates, and decorative shelves. In addition, the standard patterns for animal figures, vehicles, nature scenes, and common folk-art images can be used by innovative craftspersons who work in media such as quilts, appliqué, stained glass, stencils, and jewelry.”—Booklist.

Book Information

Paperback: 196 pages

Publisher: Sterling (June 30, 1990)

Customer Reviews

great book to learn from and easy to use

It has a lot of cute patterns in it

good starting book

I am just starting out on my scroll saw and my wife loves these patterns the seller done a great job

Just the kind of book I was looking for. Lots of projects.

excellent items for the beginner

will work great

lot of patterns for the scroll saw
