The Haunted Valentine (A Lin Coffin Mystery Book 7)

Synopsis

This is book 7 in the Lin Coffin Mystery series from USA TODAY Bestselling Author J A Whiting. Although the main mystery is solved in each story, the books should be read in order for the most enjoyment as story threads run from book to book. Lin and her cousin, Viv, stop into a gift shop in Nantucket town and while browsing, Lin sees an antique Sailor's Valentine. The valentine, made of tiny beautiful shells, pulls at Lin and she decides to buy it and bring it home. At times, the object feels hot to the touch and sometimes the shells illuminate and dim in a sequenced pattern. Once in a while, the valentine makes appearances outside the house in places Lin happens to be. A ghost pays a visit, but Lin has no idea what he wants from her or what his link might be to the sailor's valentine. With the help of her boyfriend and her cousin, Lin works to solve the mystery of the haunted valentine. This story has ghosts and some mild paranormal elements.

Customer Reviews

I like the main character and the New England setting. I like ghost tales and the development of the lead characters special skills keeps the stories from becoming routine.

Cozy mystery for discerning adults without the uncomfortable romantic interludes . Witty and entertaining, also easy to read in one afternoon.

I have loved every book in this series and the other series. I guess now all i have to do is wait for the next book.

GOOD

Very Very good. Will continue too get your books. Keep up the good work.

Lin and Viv Coffin are cousins and live in Nantucket. Viv owns a bookstore and caf   and plays in a band with her boyfriend John who is also a realtor. Lin is the local landscaper; her business partner is Leonard and her boyfriend is Jeff who is a builder. Viv has lived on Nantucket almost all her life, while Lin left for a while, it's important to know this because while Lin was away she never saw ghosts, when she returned and Viv share a birthday and are together Lin begins to see ghosts. This story all starts when Lin purchases a sailor's valentine, (It's a shell craft octagon in shape with a glass hinged box, filled with many small shells) the minute Lin sees it the heat radiates off the piece and she knows it has a story. There are several small stories within the main story and may get a little complicated but I can't give any more away. Find out the link between the sailor's valentine, a house up for sale, and a mystery with Lin's business partner. It's a great read.
