A Kids Book About Bullying: Teach Kids How To Deal With A Bully

Synopsis

Bullying is a serious problem in today's society, one that kids often have to deal with, at school or in the play yard. The book "A Kids Book About Bullying: Teach Kids How to Deal With a Bully" by children's author, Dee Phillips, takes a look at bullies and why they bully other kids, and how kids can deal with them. This book is in simple to understand language that kids who already have the skill of reading can read for themselves, but it is advisable for parents and kids to read this book together in case the child needs to talk about the issue. The text is in smaller blocks and sentences, accompanied by engaging pictures. "A Kids Book About Bullying" can be downloaded easily so you and your child can benefit from it in no time at all. Help your child learn to deal with bullying before the problem arises, or especially if the child is already being bullied.
