fine

This book is in true Kindle form. You can change the font and the size as well as the paper color. You can also take notes and highlight with great ease. Not all text books are truly in kindle form. They work and are kindle compatable but cannot be customized like a true Kindle book. However, this book is the exception. It was 60 dollars cheaper than the hard copy and much easier to carry around.

Textbook was at an amazing price and practically new - even though it was marked used.

Except for how expensive the book is, meets needs.

great e-book option and convenient

good condition and saved me over 100.00!

I was very pleasantly surprised to see that this book was in such great condition. Got them really quickly. I have no complaints. Needed it for school and it was worth the purchase.

very good!
