Customer Reviews

Bali welcomed more than 2.8 million visitors in 2012 and 2013 figures are expected to reveal an increase in this number to over 3 million (source: [Bali Tourism Office](#)); this book covers all of the island's stunning attractions as well as those of Lombok, with a focus on cultural and historical detail.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

This book is extremely useful and has very good information and pictures. My wife is Indonesian and between her and the book we do extremely well every time we travel to the Bali and Lombok area. We always have the best rooms, food, scuba rates, and much more and I give about half the credit to this book.

Insight Guides always give me insights on photographic subjects to shoot, lighting, and composition. They help me create stories to share.
