Insight Guides: Explore Fiji (Insight Explore Guides)

Synopsis

A palm tree-lined South Pacific island paradise, yet also easily accessible from the Antipodes, Fiji offers a tropical idyll with all the white sand beaches, fabulous diving and other outdoor activities you could ask for. Insight Guide Explore Fiji is a brand new title and is the ideal pocket companion for your trip: a full-colour guide containing 12 easy-to-follow routes around the Fijian islands. Discover the lively nightlife and bustling daytime of Fiji's capital, Suva, hike in the Nausori Highlands, experience a homestay in Viti Levu and cruise the Yasawa Islands, with their perfect beaches and great seafood. Insight's trademark cultural coverage sets the routes in context, with introductions to Fiji's cuisine, entertainment options, wealth of activities on offer and key historical dates. Our recommended places to eat and drink are highlighted in each route, with even more suggestions in the directory section, which also contains a wealth of useful practical information, including a range of carefully selected accommodation to suit all budgets. All routes are plotted on the useful pull-out map, and evocative photography captures Fiji's stunning tropical island scenery.

The best routes around the country

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

We are only there for 3 nights, so wanted something that we could use to find a few fun things to do. This fit the bill. We'll see how good the recommendations are. I liked that it was quite current.
