Customer Reviews

2016 BMA Awards: Highly Commended, Internal Medicine "Andrews' Diseases of the Skin, 12th edition is clinicians' ideal go-to resource for clinical dermatology at every stage of their careers, providing practicing dermatologists and residents with the core information they need." -SirReadaLot.org, July 2015, Issue #195 "The book is replete with superb color photographs of diseases. You can almost feel the lesions from the high quality of the photographs. Shaded tables throughout summarize pertinent points" "This continues to be an excellent clinical dermatology reference for practicing clinicians. It contains current information and lends itself well to use as a quick, in-depth, look up." -Patricia Wong, MD Doody's Score: 94 / 4 Stars!

Easy to understand language, simple explanation and with colourful pictures. Almost most of the chapters are covered on skin diseases. I think it is a good textbook for medical students & for practice.

Great book with detailed info. Has online access to the book and videos for several procedures. Highly recommend for derm practice.

This is a fabulous text for any student of dermatology. I recommend it highly for primary care physicians, NPs and PAs.

Great resource. So happy there is now an updated version.

Packaged well, and a very competitive price

just as advertised

Wonderful book.

Great book and updates to the previous one!! Great color pictures and price! A must for all students studying dermatology!!
