Customer Reviews

Information is not organized. There are just many pages of rambling but no clear recommendations. Definitely not concise. Disappointed in this purchase.

I knew nothing about Reno, and now know enough to feel I have a good sense of the place. Plus I have a few solid recommendations for an upcoming visit -- all for a fast, easy, friendly read. This isn't a guidebook by any means; it's more like some words to the wise to get you well started. Glad I got it!
