TOM BOAL lives in Leduc, Alberta, Canada, with his wife Marilyn and their two teenage children, Christian and Kelly. Tom writes skits for his fifth and sixth grade Sunday School class as a diversion from his profession of accounting. --This text refers to an alternate Paperback edition.

Good experience

With 104 selections, we should have no trouble finding skits for our church youth for a long time! The skits are clearly indexed by topic, Bible character and verse, making it easy to find one to fit just about any need. The typeface is clear and large, making photocopying (yes, allowed!) easy. They are funny, although some of the humor is a bit sarcastic, so the wording may need to be toned down for younger audiences. Overall, this is a good addition to our church library.

I sometimes run out of ideas for mid-week services. This gives the kids an opportunity to express

how they see the scripture, and their questions about it. It is non-academic, meaning it is not like a worksheet activity which loses most kids. Kids really like acting out Bible Stories mid-week when they are overwhelmed with school and written work. This is fun and kids learn as well.

These versatile Bible skits come in 3 sections: one for Old Testament, one for New Testament, and one for Biblical theme skits. Permission for copying the skits for performances by the purchasing agency is already granted on the copyright page, thereby saving time and work in preparation for informal performances. Well-organized teaching suggestions accompany the skits. Good resource for Sunday School, Vacation Bible School, mission trips.

I love the book and it's ideas, trying to work skits into our Wednesday night program then introduce the kids to doing the same skit for the whole church. Working on it. Recommend this book to anyone else looking for some help in this direction.

very helpful

Some really good skits for puppet ministry, I would recommend this book.
