Age Range: 7 - 9 years

Grade Level: 2 - 4

Customer Reviews

A second "Time Warp Trio" story (cf. *Knights of the Kitchen Table*, above), only slightly less clever than the first. The boys now find themselves on a desert island. Blackbeard comes to bury treasure--and his two helpers; he catches the boys and takes them to the pirate ship (Israel Hands is among those aboard). There's some suspense, more slapstick, and the singing of some fine chanteys before the boys are again saved by The Book. Smith's funny/wicked pirates make an excellent contribution. "Historical afterword" on Blackbeard; another (tongue firmly in cheek) on the boys. (Fiction. 8-12) -- Copyright ©1991, Kirkus Associates, LP. Lots of chapter books and early reader books are pretty bland. I understand why - limited vocabulary, not a lot of room for plot or character. That said, these Time Warp Trio books pack in a lot of punch. The three boy friends have distinguishable personalities. The humor is not cheapo fart based. The plots are slim, but serviceable. They don't try to do too much in the magic/fantasy realm, (like, say, Secrets of Droon), so they don't feel quite so thinly imagined or frantic. These would be OK to read to, good to read with, and probably fine for a new on-his-own reader. A good find.

This is a good book. My son and I read books from this series before bed. We enjoyed this book.

The Not-So-Jolly Roger by Jon Scieszka is a good book about pirates. The main characters are Sam, Joe and Fred. The story takes place on a pirate ship named Queen Anne's Revenge. The main challenge Sam, Joe and Fred faced was finding the book that took them back in time. The boys were brave, adventurous and smart which helped them get past Blackbeard and find the book. The boys learned that teamwork helps get past scary places. I would recommend this book because it is exciting.

I'm 8. I like this book because it is funny and I like that it teaches about pirates. I like how Blackbeard is a bad singer.

Grandchild loved book

Kids read and outgrew Magic Treehouse series so I bought some of the Time Warp Trio series. They love them! They also love Diary of a Wimpy Kid series and Big Nate series.

My boys all love Diary of Wimpy Kid. However, there are only so many books in that series. This book was something that came up as similar to Diary of a Wimpy Kid. My boys love this book. I know there are more in the series and I am waiting for a good price so I can buy them.

The kids love this series. Thanks for quick delivery.
