Be A PMP Ace In 30 Days: How I Aced The PMP Exam In One Attempt, Without Taking A Break From Work And How You Could Do It Too! (PMP Ace Series Book 1)

Synopsis

Do you want to earn the #1 Certification in Project Management globally? Are you in possession of numerous resources yet clueless on how you could organise yourself to be fully prepared to take on the PMP Exam? Does the thought of attempting the PMP Exam scare you? Roji Abraham, a successful project manager in a \$4 Billion firm, a certified PMP, an MBA graduate from one of Europe's best business schools, and an established author, writes in his unique style about his 30 day journey to PMP certification and gives step-by-step guidance on how you could effectively utilise your time while preparing for the PMP Exam. Be a PMP ace in 30 days isn't a full-fledged guide with a truckload of information on each section but rather, a companion book, that shows you, how in 30 days, you could use your resources effectively, and be ready for the PMP exam and succeed. That too, without having to take even a day off from work! Here's what you get from this value-for-money EBook that will oversee your personal journey to PMP certification: Guidance on the necessary tools and resources you need while preparing for the PMP exam and how to use them effectively. A downloadable weekly calendar with suggested daily and hourly schedules for covering each topic and reviewing them effectively over 30 days. A print-friendly downloadable process chart. Key notes for each day that highlights the most important topics for that day. Information on some great free/budget online resources. A brief outline of the changes incorporated in the PMP exam in January, 2016. Useful tips for the exam day. Five interviews with successful PMP candidates, from around the globe, with their suggestions on how to conquer the PMP exam. Customer Reviews

Definitively I will recommend this excellent affordable book as your personal guideline to study for your PMP exam. Thank you, Roji Abram!

Good summary of the methodology

Awesome details, if you want to stop procrastinating your PMP study and get a clear plan, go with this one, very concise and powerful!

When I started preparing for the PMP exam, i was overwhelmed by the number of suggested books and training material that are available, I did not know where to start. This book provides a guideline on how to go about it. The author details out his methodology of preparation, based on a daily schedule. It also highlights major facts and mentions links where sample questions are available. It is definitely worth the price you have to pay for it.

A very short and handy guide for those who are about to prepare for the PMP exam. The weekly schedule and the daily instructions give a guideline for people who do not know how to start and proceed. I will recommend this to anybody who wants a structured approach to tackle the PMP exam.

Terrible and a rip-off. Everything in this book can be found online for FREE. Just Google anything about the PMP exam and you will find it.

Be A PMP Ace In 30 Days! must say one should read your book before planning for PMP exam. The way you have narrated each minute element @ PMP is excellent & which will help PMP aspirants like me to gain confidence @ preparation/appearing PMP exam. If you can help us with day to day life case studies @ PMP in your next release will help a lot to understand 47 processes.

A great guide if you are seriously looking at cracking PMP! The detailed approach which takes into consideration a 5 day work week is extremely ideal. The time table prescribed also provides candidates with a disciplined approach where the progress can be tracked and learning reviewed. Definitely recommended!!
