## Customer Reviews

This book seems simple at first. I wasn't sure if it was for me. But then my brother who swore it worked told me not to dis' it before I try it. So I applied the unexpectedly simple but straight forward plan of memorizing, and trusted in the lord to help me retain his word. Before this book I had about 20 verses committed to memory. Now after applying it I have Memorized: Several chapters of romans most of 1 Corinthians Word for word And all of: Colossians 1 timothy 2 timothy James 1 john 2 john 3 john 1 peter 2 peter Jude All this is Word for word. This little book is POWERFUL! Its short, but very simple. I guess I was expecting something harder to apply but now I know this is all I needed, and all you'll ever need! Don't be fooled by its

simplistic approach. In fact I don't think any one could fairly review this book if they never applied its message. In my opinion this book will not work for you under three reasons. 1) you're memorizing for pride and not your own personal journey with Jesus. 2) you lack faith in the Lord's ability to help you. And I don't know why anyone would doubt seeing that he wants you to know his word for daily application and that all things are possible for us through Jesus, especially if they strengthen us. 3) You don't have the Holy Spirit. I don't know what your situation in life is but this book should work for everyone who does not fall under those three categories. That's my two cents at least and I hope it helps!

An overall good read that's quick and to the point. The few minutes I spent reading it has already made a difference in the amount I have memorized. I previously had no more than a dozen scriptures memorized but now I have chapter 5 and 7 of Matthew, Ezekiel 33, and Jude memorized. The author doesn't actually teach the rote method as the other reviewers said. If you pay attention he speaks against it in the end saying that mundane daily repetition isn't as powerful as Jesus' method which he outlines in the bible. Yes Jesus talks about retaining and memorizing the word! He tells us the Holy Spirit will help us and if Jesus says it then it's good enough for me. The author explains that while the rote method can help you memorize a book in several months time he explains that God has helped him do it in a day by an augmentation of the rote method which he teaches. I can attest to that because I memorized Jude and Matthew 7 in one sitting.

Great Read

thanks i have to check if i had it i pre order my books for summer reading some i do remember

Both helpful and motivational. I read it in one sitting and I'll bet you do to.

I can do this very understandable well maybe some of these things but it does give good advice

The book is about learning to memorize the bible, but I found it to be more of a faith lifting book. The rote techniques are great, but the usage of the Holy Spirit and faith what I got out of this book. I love it.

I love it
