Thailand - a country of smiles is very good book if you're interested in the culture of Thailand and plan to visit. It has modern format with everything in colour and photos of all the main sightseeing places. --This text refers to an alternate Paperback edition.

Dear readers, I am pleased to introduce to you my book "Thailand - a country of smiles" that introduces you to the wonderful country located in Southeast Asia - Thailand. Did you know that one picture can convey more information than 10 pages of text. On this principle, I built my book, which consists of only 5 pages of text and 155 pages with pictures of the most beautiful and popular places in Thailand. I used the book about 1,000 photos and has lived in Thailand for about a year to collect them all. Be sure that the color on the photos correspond to reality, because I specifically did not use Photoshop for this book, to leave a picture as realistic as possible. I hope you enjoy this book, and of course the fancy Thailand. Regards, Vlasov Andrey

I like it! It's very nice book. I love Thailand, love their nature, people, food, culture and traditions.

Good travel guide to understand where to go

I would say it's very nice coffee table book. I have been in Thailand few times and like this country. I found the idea of the book is really especial. Almost no text but many beautiful pictures. It made me reminisce Thailand so much, that I am ready to travel there again. The part South is truly beautiful. I love that places: Phi phi, samui, phuket. But Centre and North are beautiful too. Andrey Vlasov is a phenomenal photographer and photos are full of life. The only minus is print resolution which could be higher.

I have been in Thailand few years ago and bought there many souvenirs but didn't see the book like this. I loved Thailand after my trip and today by accident I saw this book in a book store in Thai town in LA. I definitely like this book! There are a lot of beautiful photos and even some places where I didn't go last time. So, now I want to go to Thailand again.

We are going with my family to Thailand in the next vacation . I bought this book on the recommendation of friends . The book is very beautiful and helps to determine the places where it is better to go to Thailand. Very colorful photos that show well locations . Definitely want to visit Chiang Mai and White Temple in Chiang Rai . It is stunningly beautiful !

I have always been attracted by this mysterious country. I saw this book and immediately bought it. The book is very interesting. Beautifully framed. The large format 8.5 to 8.5 inch-es, a very attractive cover. In the book, a huge number of good quality pictures. The book consists of 160 pages, and they give an idea of the country.

Wow, I love this book! It's so beautiful. Never been in Thailand but many my friends went there and loved it. I very liked photo with Wat Arun temple, Tien beach, White temple in Chiang Rai and Maya Bay in Krabi of course. The design of the book is awesome. Will buy one book for my friend too

It's very beautiful book! There are very beautiful photos! I have never been in Thailand but it's one of my dreams to go there. And in this book I found some places where I want to go. One of them is Phi Phi islands. It's amazing! Thank you Andrey Vlasov for this awesome book! Good luck!
