M.T. Lott has an [unhealthy?] obsession with farts. In addition to his FARTING MAGICAL CREATURES COLORING BOOK, he has illustrated the FARTING ANIMALS COLORING BOOK. He has also managed to string together lots of words to write books about ANNABELLE THE RELUCTANT FART FAIRY and THE DIARY OF A FARTING GHAST. Like a silent but deadly fart, he cannot be stopped.

Farting Magical Creatures is absolutely hilarious! The illustrations crack me up and I love the "facts" associated with each creature and it's gaseous habits. I will be giving this book to my friends, young and old

Came across this when I was getting something else. I couldn't resist, it is seriously one of the

funniest things. They even have little sayings on the pages. Go for it you'll get so laughs.

I love this coloring book. It really does relieve stress better than the regular ones. The pages are cute and whimsical and fun to color.

Fact: The captions are the best part

the images were just as magical as promised. great price for a fun gift for kids and kids at heart :)

My Godson loved this book.

Bought for my daughter who is giving as a birthday gift to her cousin. I have no doubt this 11 year old will LOVE it - it suits her sense of humor extremely well.

This book cracks me up. I don't even need to color it to get a giggle. FACT: Magical creature farts are funny. Indeed they are - and we all need a little of that right now.
