# DC Comics: Bombshells Vol. 2: Allies

## Synopsis

Based on the hit DC Collectibles product line! As World War II rages across Europe, the Allied forces issue a call to arms for the greatest heroines the world has ever known! With an old villain arising from beyond the grave, Wonder Woman, Batwoman, Kara Starikov, Kortni Duginova and Mera must aid the Allied forces while at home, a brave group of Batgirls must defend the homeland! The incredibly popular DC Collectibles line is brought to life in these stories that reimagine the course of history! From writer Marguerite Bennett (BATGIRL, EARTH 2: WORLD'S END) and featuring artists including Marguerite Sauvage (HINTERKIND), Laura Braga (Witchblade) and Mirka Andolfo (Chaos) comes DC COMICS: BOMBSHELLS VOL. 2 collects #7-12.

## Customer Reviews

“These are strong, realized women capable of wondrous feats, and Bennett ensures that they remain the heroes of their own stories.” IGN “Bombshells is a win for both female characters and female creators, and that double victory is well worth celebrating.” Newsarama

Marguerite Bennett is comic book writer currently working on DC Bombshells, Marvel's A-Force and 1602: Witch Hunter Angela.

Bombshells continues its strong run with this second volume in which the titular DC heroines coming face to face with the magical threat the Nazis are attempting to employ: the undead tenebrae. Wonder Woman and Steve Trevor encounter the new leader of this group of undead soldiers: the Baroness Paula von Gunther who plans on leading a large scale attack on Britain. Kat Kane, the Batwoman, was taken prisoner by the tenebrae's Nazi handlers at the end of the first volume and must rely on the Huntress and Catwoman for aid behind enemy lines. Stargirl and Supergirl are mourning the capture of their father only to find out that Stargirl is the daughter of a rich socialite who wants her to give up her heroic ways. Mera is becoming fast friends with the soldiers of the British Royal Navy only to learn that they are the target of an Atlantean assault as King Nereus of Atlantis has allied with the tenebrae forces. All the disparate story arcs converge together during the book's finale when the Baroness von Gunther leads the tenebrae and the Atlantean sea monsters against London. In the midst of the battle the Bombshells join together to create their own Justice League and push back against the undead forces of Germany. The only weaker element of this book is the opening arc which follows a group of young children back in America carrying on Batwoman's legacy. It is meant to be the Bombshell title's interpretation of the Bat Family and while it isn't a bad arc it feels far too removed from the rest of the action. I was too ready for their arc to end so we could pick things back up with Wonder Woman and the others. The other issue is that the book often uses odd page layouts that alternate without clarity meaning I had to reread a few too many pages to get the actual flow of the writing as it was intended.

I swear things really get interesting here. From hearing what's going on in the us to a powerful, heart reaching ending

Love this series, GREAT revisioning of the classic tales, great artwork, and all around great idea.

A very fun series! The art is fantastic, and the story is really compelling.

My initial attraction to this series centered on the alternate Supergirl, but Marguerite Bennett being signed to write it got all of my attention, as it promised an interesting tension between the cheesecake of the designs and Bennett's skills as a writer. That promise bore out, as the characters all have interesting voices, each distinctive, and the 1940s designs are clever, and often amusing (the change thing on John Constantine is the gift that keeps on giving) and often a surprise -- this might well have my favorite versions of Amanda Waller and Mera. The artwork is variable, but

generally pretty (and occasionally incorrect in vehicle depiction) and the book as a whole an enjoyable read.

Really enjoying this series. Great installment. Love the aesthetic! Love the way the various plot elements are coming together. Excellent story.

Very enjoyable series. Binding is strong and I love the color scheme. Arrived sooner than expected.

Ordered for my granddaughter ,it was exactly what she wantedÃƒÂ ÃÃ ÆœÃ Æ'
