David B. Jenkins is a professional photographer and the author of Georgia: A Backroads Portrait. He lives in the mountains of northern Georgia.

As I live close to Georgia and have traveled through it, I enjoyed just reading the book. I definitely intend to make a few side trips any time I need to go through on my way elsewhere, since both my children live in adjoining states.

Looking at the photographs and reading the text it becomes obvious that this is David Jenkins eloquent love letter to the state of Georgia.

Great book for anyone looking to find the most authentic side of Georgia. Amazing if you love daytrips in the car or if you are in for a full road trip. This book really captures the roads that lead to Georgia's roots and history. I loved this book! It is currently sitting on my coffee table and everyone asks me about it. Thank you for taking all the time to map these drives and take gorgeous images.
