Synopsis

Questions & Answers: Torts can help you with this task. The book includes 202 questions - some tough and some relatively easy - organized by topic. The multiple choice questions might ask you to pick the best of a list, the worst of a list, or the story that illustrates a point of doctrine most effectively. The short answers ask you to analyze scenarios and communicate discrete points. The Practice Final Exam and Essay Issue-Spotter Questions contain an additional 54 questions.

Customer Reviews

The explanations are so helpful. I made an A in torts. This book definitely helped with that.

Helpful to study for a final exam consisting of both essay and multiple choice

Great product-well worth the cost!

Not very helpful in review. The questions can help prod out what you have not understood, but the written answers tend to be trivial or may not be inclusive of what your professor is looking for.

love it

In great condition.
