The Islands Of Winnepesaukee

Synopsis

"According to many sources, New Hampshire's Lake Winnepesaukee has been a tourist destination for more than a century, and the Town of Wolfeboro became the "Oldest Summer Resort in America" when Colonial Governor John Wentworth established a summer home there in 1770. The Native American name Winnepesaukee means either "Smile of the Great Spirit" or "Beautiful water in a high place", depending on whose translation you use. Islands are places of discovery, mystery, isolation and adventure. There is also a certain dreaminess and romance to the idea of traveling to and living on an island. Think of the many movies that featured island life: Robinson Crusoe, Swiss Family Robinson, Treasure Island, Blue Lagoon, and Cast Away to name a few. Bizer Corporation, one of the premier makers of boating charts for Lake Winnepesaukee, has a list of 253 islands on the lake, and old wives tales claim there are 365 islands, one for every day of the year. In The Islands of Winnepesaukee, the authors document their kayaking adventures to all of the islands on the lake, with more than 275 beautiful, full-color photographs and remembrances.

Customer Reviews

I was fortunate enough to have grown up on the shores of Lake Winnepesaukee. My first boat was an eight-foot pram that my dad built when I was six years old. That's when my love of the lake started. Over the last sixty years I've enjoyed everything that can be done on, over or under the water on the big lake. I first met Ron Guilmette during the summer of 2013 at the public docks next to Shep Brown's on Meredith Neck. I had pulled into the docks in my boat and Ron was unloading two kayaks from his trailer, so I gave him a hand. That s when I heard of his paddling adventures to

ALL the islands on Lake Winnepesaukee. For all the messing about with boats I've done over the years, it had never occurred to me to undertake a project of this magnitude. I was fascinated as Ron told me about his paddling adventure. This is a great book of memories for anyone who has ever visited Lake Winnepesaukee or experienced it as I have. --Tom Lacey I have been a waterfront owner on the lake for nearly 30 years. As a Realtor on the lake, this book is very well done. The Islands of Winnepesaukee is a great coffee-table book for anyone who enjoys the lake. --Jack McSweeney Broker/Owner, Andover Buyers Broker, Inc.

Ron Guilmette was born and raised in Lawrence, Massachusetts. He started renting kayaks for 25 cents an hour on the Shawsheen River in Andover, Massachusetts when he was ten years old. He is married and has four children and four grandchildren. Ron has done extensive ocean kayaking with his good friend Red McDonald to the Isle of Shoals off the coast of New Hampshire and in Bar Harbor, Maine with a guide. He continues to ocean kayak with his children off of Salisbury Beach, Massachusetts where he has lived for the past 41 years. Ron is a retired state trooper and works as a criminology professor at a local university and at a private college. He also works as a private consultant in the law enforcement community and serves as a volunteer on a number of boards and committees. He enjoys white water rafting and golf and most of all beach days with his wife, children and grandchildren. Jay Leccese was born and raised in Stoneham, Massachusetts. His family, however, has owned a summer residence on Lake Winnepesaukee since 1989, and he considers the Lake to be something like a second home. He first began kayaking there as a teenager with his family, setting out on short paddles from their camp on Cow Island. He still does so frequently during the summer months, especially enjoying trips in the early morning or evening when the Lake is calm and the sun glows on the water. Jay recently graduated from Merrimack College in North Andover, Massachusetts with a Bachelor's degree in Philosophy and Criminology. He is also a talented artist, and some of his works have been displayed in the Rogers Center at Merrimack College. Jay is single and enjoys writing, painting, kayaking, and hiking in the White Mountains.

I gave it as a house warming gift to a couple up on Winnepesaukee and they loved it.

This is a beautiful book and the photos are outstanding. The historical information is quite interesting, especially for someone who boats on the lake.

Beautiful coffee table book of "the lake" put together by 2 explorer kayakers. Great gift for people

with memories of the lake!

This is a beautiful book and my friend will love it.

Excellent book, interesting and well presented! Makes a very nice gift too!

Awesome book for the Winnie lover. Makes a great gift and now I have to get one for me!

Absolutely beautiful book of my new states lovely nature. Thanks for an awesome view.

My husband and his family grew up during summers on Lake Winnepesaukee and I was thrilled to purchase this book for him at Christmas. He loves it so much, the photos alone are amazing!
