Bond Vs. Bond: The Many Faces Of 007

Synopsis

Who is your favorite Bond? Whether you love Sean Connery, Roger Moore, or even Timothy Dalton, you are going to love *Bond vs. Bond*. A fully comprehensive guide, *Bond vs. Bond* compares and contrasts all of the various ways Ian Fleming's iconic British Secret Service agent, code name 007, has been interpreted through the years, from the books and movies to the guns and gadgets. Spanning from Fleming's 1953 book *Casino Royale* to Sam Mendes' 2012 film *Skyfall*, *Bond vs. Bond* features every incarnation of 007. Paul Simpson, co-author of *Middle-earth Envisioned* and *That's What They Want You to Think*, adds side-by-side comparisons of the weapons and gadgets, the heroines and femme fatales, and more! You'll be riveted with the expanse of Bond knowledge, facts and lore in these pages. This is definitely a book that no Bond fan should be without!

Customer Reviews

"...one of the best - packed with more colorful background and insights than many of the dossiers compiled on Ian Fleming's master spy over the past five decades." - Nashville Arts Critic'[a] larger-than-life, fact-packed history'"Each and every section goes into extensive detail about every aspect of James Bond and how he has evolved over the decades by adapting to the times. It's the ultimate insider look at the imaginative realm of the world's most famous spy - Boyce McClain's Collector's Corner"..."one of the best - packed with more colorful background and insights than many of the dossiers compiled on Ian Fleming's master spy over the past five decades - Nashville Arts Critic

Paul Simpson has written official guides to the TV series Farscape and Smallville and the movies The Hitchhikers' Guide to the Galaxy and Wallace & Gromit: The Curse of the Were-Rabbit, as well as unofficial books on subjects as diverse as James Bond, Nicole Kidman, and the TV series The O.C. He wrote an unofficial guide to CSI: Crime Scene Investigation. A regular visitor to film and TV sets, he has reported for many newspapers and magazines, including TV Guide. For five years, he was the editor of the official licensed Star Trek Magazine. He wrote That's What They Want You to Think for Zenith Press and co-authored Middle-earth Envisioned for Race Point Publishing.

Excellent Book! Lots of photos, trivia and info! I bought this one and "Bond on Bond" by Roger Moore. Both are just as good!

and i do. Good to have all the info on the various Bonds and all the stories in one place.

This book was purchased for a gift. I was on a waiting list for this book at 2 different bookstores and they eventually said they couldn't get it. I was very happy that was able to get it for me. If you are a James Bond Movie Fan, this book is for you. If you are a movie buff, this book is for you. It is Awesome! Enjoy!

Extremely disappointed. Thought there would be much more trivia regarding the film making, cast, and directing team. Just a cursory description of the various films.

Gave as a fathers day gift, Dad loved it. Cover has a bit of a matte finish to it and therefore shows scratches/marks from shipping. Might not wear super nicely as a coffee table book. Content was great - awesome pictures!

My wife has actually read through it! ing!

This book was GREAT! Bought it for my husband (much more a Bond fan than I am--and I'm almost rabid) and got engrossed in it myself. Learned a lot of facts just never knew before...both of us did.

Thank You! This was a Christmas present for my husband, so I'm very happy to have received this! He's really enjoying it. Great seller/great service
